Positioning (How to Sell It)

The brochure's core promise is:

Advertise with impact. Connect with a motivated market that values relationship, community, and action-driven partnership.

Sell sponsorships as **community support**, not “banner ads.”

Emphasize:

- Patriot-aligned businesses
- Local county visibility
- Community action
- Preferred partner recognition
- County and statewide reach
- Sponsor support for useful civic infrastructure

Avoid leading with “buy a banner ad.” Lead with:

- “Become a founding county sponsor”
- “Presented by”
- “Support your county’s civic hub”
