

MISSION

**SHAPING THE FUTURE,
ONE PATRIOT AT A TIME.**

MESSAGE FROM THE OFFICE OF THE PROVOST:

Local Patriots in Action exists to help ordinary citizens restore self-government where it was always meant to live—in our homes, neighborhoods, precincts, and counties.

We believe our rights come from God, not government. America thrives when free men and women take ownership of their communities, contributing by showing up, rather than just airing opinions on social media.

By becoming informed, engaged, and active in our precincts and counties, we are making our Founders proud—and doing our part to keep our nation free for those who come after us.
